HAROLD BRANHAM PRINT ORDER FORM

We are in the process of formation of a 501 (c) (3) organization for the purpose of founding a local Charter School on the secondary level focused on the education and development of technical trade skills vital to our current and future industries.

We have received our 501 (c) (3) certification registration from the State of South Carolina entitled “Academy for Skilled Technical Trades” and are in the process of obtaining our federal certification.

Harold has created his latest limited-edition print entitled “Blythewood’s First Scout” as a fundraising item to benefit this effort.

Net proceeds from these print sales are dedicated to the funding of this new school.
